Caversham Park
Reading, Berks.

Dear John:

In looking for reference books on our language problems in the continent of Africa, I came across the attached pamphlet which was published in 1944. I had a difficult time getting copies to retain, since, by its very nature the handbook would not have wide circulation. I have, however, been successful in getting a few copies and I thought perhaps you would like to take a glance at it and perhaps pass it on to my dear friend Mrs. Papp in your library.

Sincerely,

Chief, FBIS
